SAVE A CHILD'S LIFE FOUNDATION
BIO-LOGIC AQUA™ MOISTURE FOR LIFE™ ©2004 USA

Saturday, August 1, 2009 will be a very special day for Save A Child's Life Foundation...

...**because** it is *the Thirteenth Annual Rogue Riviera Water Festival and Charity Auction*.
...**and because** we anticipate, with the proceeds from this year's event, we will pass \$150,000 in donations made over the last decade.
...**and because** of *people like you* we expect another wonderful, successful event offering our love and donations to children affected by pediatric melanoma and to help prevent this life threatening disease.

Whether you are coming for the first time or you have attended for many years, please join us on **Saturday, August 1st** for an incredible afternoon and evening of fun, food, wine and giving. Sponsored by Bio-Logic Aqua Technologies Biomedical Research of Grants Pass, the **13th Annual Rogue Riviera Water Festival and Charity Auction** donates 100% (YES, 100%!!!) of the ticket sales and auction **proceeds to our beneficiaries: Shriners Children's Hospitals, Doernbecher Children's Hospital in Portland, and the Family YMCA right here in Grants Pass!**

A grand tradition continues on the beautiful Rogue River at the Grants Pass home of event hosts, Bill and Sharon Kleyne: a heavenly salmon barbecue, wine and cheese tasting, thrilling jet board rides from a private dock, live music and most importantly, the auction itself. Wonderful, unique items are just waiting for your bid, including trips, art and wine. Last year was a huge success, and this year we expect to out do ourselves!

Tickets to this exceptional charity event are just \$30 each. Consider purchasing a table and inviting family, friends or co-workers. If you cannot attend, please think about purchasing one or more tickets anyway...all money goes to the children. Or perhaps you have a special item to donate. If the value of your donated item exceeds \$500, you are entitled to two complementary tickets.

Your participation makes you a part of our mission to save lives and educate about pediatric melanoma. Please fill out and return the enclosed RSVP/Donation form no later than July 25. We truly look forward to seeing you on August 1st.
